

875—173.38(90A) Inspection for foreign substances. The referee shall inspect the gloves, bandages, and bodies of the contestants in all main events and make sure that no foreign substances have been applied to the gloves, bandages, or bodies of the contestants that might be detrimental to an opponent. In bouts preliminary to the main event when the gloves are adjusted in the dressing rooms, the referee shall inspect the gloves and bodies of the contestants.
